

Planning a Wedding

There's a reason so many newly-weds and about-to-be-weds flock to Fiji to celebrate their love. With glistening white beaches, lush rainforests and countless hideaway spots, Fiji is one of the most romantic places on earth. If you want help with planning, many resorts offer great wedding or honeymoon packages to take the pressure off. Whether you're looking for a wedding venue or somewhere to honeymoon, Fiji is the ideal place to start your lives together.

As a popular wedding destination, Fiji has an abundance of spectacular venues. If you're wanting a traditional ceremony, resorts on tropical islands offer gorgeous wedding chapels overlooking exotic gardens. Fiji is famous for its beachside ceremonies, providing the ultimate backdrop of white sand, blue ocean and stunning green islands. If you've got a lot of people attending, getting married on the main island, Viti Levu, is the best option. But for something more intimate, there are countless alternatives on one of Fiji's many beautiful islands. Fiji's magnificent, thick rainforests provide another perfect wedding spot, offering a background of waterfalls and green foliage amongst the sound of singing tropical birds. Or for something completely different, have your wedding on board a luxury yacht or cruise. The options are endless.

Fiji has a number of professional wedding coordinators who can customise your ceremony to your needs. If you do decide to get married here, you can relax in the knowledge everything is taken care of. From photography, flowers and food to honeymoon destinations, you can have everything organised for you.
